

## Modular components

Products of the **moduLo** range have been designed to satisfy the need of quick and safe installation in civil and industrial electrical systems. The latest state-of-the-art generation of electronic components are used for their manufacture.

- Modular contactors
- Time relays
- Protection relays:
  - Voltage monitoring
  - Current monitoring
  - Frequency monitoring
- Level control relays
- Startup priority change relay for 2 motors
- Earth leakage relays
- Digital metering instruments
- Programmable logic relays.

*100% electricity*
